

# TAHMOOR COAL COMMUNITY CONSULTATIVE COMMITTEE

## Nomination Form – Local Community Representatives

### Nomination details

The attached application seeks my nomination to be a local community representative on the Tahmoor Coal Community Consultative Committee.

I accept that selection and appointment to the committee will be considered subject to meeting any of the following criteria:

- being a current resident or landowner in the local government area
- being able to demonstrate my involvement in local community groups or activities
- having knowledge and awareness of Tahmoor Coal’s operations and related issues of concern to the local community
- being able to represent and communicate the interest of the local community
- being willing to adhere to the committee’s code of conduct.

I have completed and attached the Expression of Interest Form demonstrating how I meet the above criteria for membership.

### Signed declaration

If appointed to the committee, I:

- confirm that I am aware of my responsibilities as a local community representative on the Tahmoor Coal Community Consultative Committee
- accept that the position is voluntary with no entitlement to remuneration
- agree to sign and comply with the Committee’s Code of Conduct Agreement
- agree to sign a declaration of pecuniary and non-pecuniary interests and keep this declaration up to date.

**Postal Address:**

*Independent Chairperson*

*Tahmoor Coal Community Consultative Committee*

*PO Box 113*

*Fairy Meadow NSW 2519*

## Expression of Interest Form

Tahmoor Coal Community Consultative Committee seeks representation from the communities surrounding Tahmoor Mine's activities, such as Bargo, Picton, Tahmoor, Thirlmere and surrounding areas. How are you connected to issues related to local mining?

*E.g. you may be a resident or landowner that works in the area (particularly in the Bargo area which is the next mining domain), be involved with a relevant local community group or groups (eg. environment, First Nations, community or industry) or are interested in current local issues related to mining.*

Do you have any experience with coal mining?

**Are there any issues you currently see with mining in the local area?**

The committee is a forum to establish and build positive relationships between representatives of Tahmoor Coal, Wollondilly Shire Council, key stakeholders and the broader community. This is achieved by the Committee encouraging two-way communication between all committee members regarding Tahmoor Coal's operations, environment, social performance and broader issues of community stakeholders.

**Why are you interested in being a member of this Committee?**

**Are you able to attend quarterly Committee meetings on a Thursday evening at Tahmoor Coal Mine? (i.e. four (4) Thursday evenings per year)**

Committee members should expect to attend quarterly meetings, communicate with the broader community, review and provide comment on Tahmoor Coal operation reports and plans that are presented to the Committee and act in an open and transparent manner while disseminating information about mining operations to the broader community.

**Why would your commitment as a representative of the committee benefit the broader community and how would you disseminate information to them?**

*E.g. can you list your previous experience and give examples*

Do you have any further information you would like to provide?

Thank you for your interest in the Tahmoor Coal Community Consultative Committee.
